

# 1999-01 Performance Progress Report

## For Quarter Ending June 2001

Agency 228

### Traffic Safety Commission

#### Mission

The mission of the Traffic Safety Commission is to reduce death, injury, and property damage occurring on our roads by prevention of traffic collisions.

**Goal** Reduce the number of deaths and serious injuries that result from traffic crashes.

**Performance Measure** Percentage of motor vehicle deaths where alcohol impairment is a contributing factor.
